SDHI are planning an interdisciplinary Symposium and Workshop on the ‘Social Dimensions of Addiction’ following the International Society of Addiction Medicine (ISAM) Congress (http://isamdundee2015.com) that will take place between the 5th-8th October in Dundee.

This Symposium aims to bring together academics, practitioners and service user organisations to explore topics such as housing, homelessness and addiction; disability, societal participation and addiction; ageing, loneliness and alcohol use; social and health-related inequalities in association with addiction.

If you would like to attend this event or for further information please email sdhi@dundee.ac.uk
